YOUR ACCOMMODATION

Set in the heart of Limpopo's bushveld, Kilima Private Game Reserve and Spa offers a beautiful and comfortable base for any serious outdoorsman. With spacious, air-conditioned rooms, hearty meals, and strong coffee before first light, Kilima is built to keep you rested, refueled, and ready for the day ahead.

Between long days in the field, you'll find space to unwind — whether it's watching game from the deck, soaking tired muscles at the spa, or swapping stories by the fire. Kilima isn't the hunt — it's the place you come home to.

WHERE YOU WILL HUNT

Safari Pursuit hunts across prime concessions in Limpopo, including the bushveld around Gravelotte, the riverine areas near Hoedspruit, and the rugged terrain outside Phalaborwa. Each location is carefully selected for its game quality, terrain variety, and overall experience.
